Policy Landscape

Goals for the session:

- Describe common practices in identifying policy around your local issue campaign
- Apply best practices in researching policy
- Feel a sense of community with the group

Notes on 'policy landscape':

Notes on 'content analysis':

Notes on 'skill analysis':

Brainstorm
Spend 3 minutes brainstorming what you need to do to understand the policy around your issue:

Reflection
What skill do you want to grow in as you research policy and talk to other people?

Reflection question
What are you taking away from tonight's call? What would be helpful for the next call?
